Welcome to FRONT DOG Dog Training!

REQUIRED FOR CLASS- This class will be using our sponsored FRONT Harness design harness and we will be providing them to you/your pups for use in/during our classes. We will solely be using them for training at no extra cost. My goal is to give everyone the best possible chance of success in your training. By using a better tool to manage and communicate, you'll achieve a better quality of success. All harnesses are not the same. *They are available for purchase should you choose. **No slip leads or extendable leashes**

-RECOMMENDED MATERIALS FOR CLASS -

High value soft treats are best that can be broken in small bits. No dog ever said a treat was too small to take!

Small treat pouch to have quick access to rewards

A rope leash with clip or flat leash of 6ft.

A collar with ID

A toy or chew to keep them busy if they need

A large beach towel for learning to place and stay. Bigger than them, not a bed.

Water and bowl

Patience and a great attitude! This should be a fun environment for you and your pup.

The Right Tool and the Right Training- You need BOTH~ Enjoy the Journey!
